

# Erasmus for Young Entrepreneurs

EYE is an exchange programme for aspiring and experienced entrepreneurs which can last between one and six months.

Have you been running a business for more than 3 years ?

- become a Host Entrepreneur and mentor young founders, without charge to your company
- you will work with a serious, motivated new entrepreneur with fresh ideas

Are you new in your business or do you have a business plan?

- become a New Entrepreneur and get a grant from the EU
- you will have the chance to work alongside an experienced entrepreneur in another country

→ Register with us - IO 581

ITKAM offers you:

- Advice and support before and during the application
- individual matchmaking support
- Payment of the monthly financial support to the traveling entrepreneurs
