

# DISCOVER YOUR GROUNDBREAKING IDEAS!

[www.youngentrepreneursinscience.com](http://www.youngentrepreneursinscience.com)

For PhDs  
& Postdocs  
of all  
disciplines

Online Workshop • 09.12.2024 • 10 am – 3 pm

## BRIDGING KNOWLEDGE AND INNOVATION: UNLOCKING RESEARCH POTENTIAL

Get to know entrepreneurship and intrapreneurship as alternative paths to your academic career and reflect on possible motivations, worries and assumptions surrounding both options. You will reflect about user groups and the network of stakeholders that surround you and your research. Why could they benefit from your research? Brainstorm potential use cases and help each other to take your ideas to the next level.

### Who we are

Young Entrepreneurs in Science is an interactive workshop programme for PhDs and postdocs to help you ignite your entrepreneurial spirit! Together with your peers, you will learn methods and skills to realise your innovative potential.

Admission is free and no previous knowledge is required.

### Workshop Goals

- Get to know the concept of entre- and intrapreneurship
- Exchange with role models from both fields
- Reflect about the potential of your own research topic/idea
- Develop or potential use cases based on your research

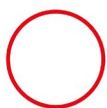

### Apply now

Register until 5.12.2024 and find more information here:
